

Monday 13th October, 2025

Dear 2026 Prep Families,

We are excited to welcome you to our Kurmile Primary School Community. We look forward to you joining us in 2026 to continue your child's learning journey as they transition from Kindergarten to Primary School.

To support your transition, we would like to invite your child to join our Transition Program, beginning on Wednesday 19th of November, 2025. Our program will finish on the Statewide Transition day, Tuesday 9th December.

Our transition program is aimed at orientating your child into our school where they will be able to experience the school environment, meet their teacher and other staff, assisting them in feeling safe and comfortable come the start of the 2026 school year.

Below is an outline of the program across four sessions that we offer this year. To assist in planning, we ask that you please register your child via the link or scanning the code. We encourage you to come to as many, if not all sessions.

Should you have any questions, please feel free to call or email us. We look forward to getting to know you and your child throughout our Transition Program and supporting your family in preparation for Prep in 2026.

Yours sincerely,

Sharon Mitchell

Principal
